A Message from our Bishop:

Destiny Family & Friends,

We are collectively praying for Alignment in the things of God. When we align ourselves with God's purpose for our lives, He will cause everything in our lives to agree.

We ask God for alignment for growth in our spiritual walk, family life, mental wellness, career path, and financial wellbeing.

As we sanctify ourselves, we are intentional about moving from stagnation to supernatural growth. We will see our personal lives increase as well as DCCI increase numerically. The Lord promises in ***Deuteronomy 1:11 (NLT)*** *And may the LORD, the God of your ancestors, multiply you a thousand times more and bless you as he promised!*

Increase is coming! This fast will not only prompt increase but also prepare and position us for it. Lord, make me ready for what is coming. It will be BIG!!!

Faith Seed

Family, after 21 days of prayer and fasting, we will sow the largest seed you've ever sown.

2 Corinthians 9:6 declares that if we sow bountifully, we shall reap bountifully.

Therefore, we want to sow a FAITH SEED above our tithes and offering.

We are declaring that this FAITH SEED will accelerate the manifestation of God's will in our lives.

God promises to multiply our seed sown and increase our harvest; together, let's sow in faith and watch God open heaven.

Scripture Model:
Daniel chapter 10

DRINK PLENTY OF WATER

Your body can go a long time without food, but it can only go a few days without adequate liquids. Since you will not be getting the liquids normally contained in most foods, drink a lot of water while you fast. It helps you to flush the poisons out of your system. A fast is a good time to get free from cravings for sugar. Too many of us are addicted to sweets and drinking plenty of water will help you get over this craving. Putting a little lemon or lime in your water may help. When you go to the bathroom and your urine appears very yellow, don't worry, that shows that your body is flushing out the poisons from your system.

What is Fasting? Fasting means to humble ourselves before God, letting Him know we are willing to exchange physical comforts to seek Him. It is a call to seek God's face.

Results of Fasting. Fasting can result in a great movement of God in the call for healing, revival and spiritual awakening. Fasting accelerates your request.

Spiritual Suggestions

1. Determine/receive your desires as you delight yourself in the Lord and write them down. (Psalms 37:4)
2. Identify, confess, and repent of all revealed sin.
3. Keep a journal during your fast. Record revelations, manifested answers, blessings and miracles.
4. Pray and study the Word of God.
5. Watch less television; spend less time on the Internet and on the telephone.

Physical Suggestions

1. Expect some physical, mental and emotional discomfort as your body adjusts.
2. Take plenty vitamin C and drink lots of water.
3. Moderate consumption of natural fruit juice is suggested.

USE WISDOM WHEN YOUR FAST HAS ENDED

When your fast has ended and you begin to eat normal again, use wisdom. During the fast, don't save all the food you would have eaten and eat it later. After you finish the fast; don't eat limitlessly and destroy the spiritual health benefit derived from the fast.

Begin to eat slowly, not all at once and use this opportunity to develop better eating habits. Now that you have the flesh under control, this will be easier to do.
